About

I have a solid understanding of both front-end and back-end development, with experience using Figma for UI/UX design. I am currently learning Spring Boot to modernize my existing PHP-based project by migrating its back-end to a more scalable and maintainable Java-based architecture.

Projects

Web Application for the Dance Community of Moldova

HTML, CSS (SASS), JS, SQL, PHP

Web Application for a Medical Clinic

HTML, CSS, SQL, JS, Bootstrap, work with API
